Dollar Store Magic Rules

1. There is a \$10 limit
2. ALL items must be purchased at stores like the Dollar Store, 99 Cent Store, Dollar General, Daiso, etc.. Small Family owned discount stores like that are ok to purchase from. Yes, even the scissors used to cut the paper must be purchased there. EVERYTHING must come from there.
3. Yes you can buy the items from different stores. Not all items have to come from the same store.
4. NO...again..NO you cannot purchase and use a deck of cards from there for card tricks or a packaged magic trick from these stores.
5. Yes, you can recreate existing magic tricks you have but all the items must be from the discount store.
6. No, you can't bring a trick you already have and say, "I didn't buy this from a discount store but you can purchase all this at a 99 cent store"
7. You have 10 minutes max to present your trick(s).
Think of it this way, say you are going to perform but you forgot a key trick at home. Now what do you do? You go to a discount store buy the items you need to recreate the trick.

There are a few spots open for this performance. If you are interested please email me at: calkid49@yahoo.com.

Thanks,

Phillip Ureno : OCMC President
