## **Social Distancing in the Magic World**

Magician Justin Willman has come out with “The Social Distancing Magician Starter Kit” 10 handpicked magic tricks taught by Justin himself. Proceeds benefit COVID-19 relief charities. It is available on his website.

There are many interesting and entertaining magic videos on YouTube educating viewers on the current Covid-19 pandemic; here are just a few that I found:

Magician Fraser Gould came up with a great wildcard routine to explain social distancing to children. Check out Fraser's performance of The Social Distancing Wildcard YouTube:

Juggler Robert Clarke juggles joy with social distance. Watch him entertain at the Queen Ann nursing home in England maintaining proper social distance on YouTube:
