Other Magic Events:

Silent Auction – any member can bring one magic item per month to be

put in the Silent Auction. You can either donate the item to the club and the club keeps all the money or you keep 80% of the sale price while the club gets 20% of the sale price.

The Silent Auction is a win/win for both the club and the members. This is your chance to get rid of that magic trick that is just sitting in your closet collecting dust. Turn that prop/gimmick/book/dvd/vhs into some cold hard cash so you can buy some more magic.

This auction is meant for items worth \$20. or more.

Tom Constable opened up the meeting with announcements. He reminded us that positions for Club President as well as other positions are still open. Consider volunteering, there will be plenty of assistance.

February Meeting:

Lecture

Our own Larry “Zeezo” Campbell gave a wonderful lecture on his Linking Safety Pins routine. Larry was able to link and unlink the safety pins effortlessly multiple times; however, when an assistant tried to link or unlink the pins, she was not successful; Larry fastened one pin to a square piece of fabric and then slid the pin to another spot on the fabric without opening the pin nor tearing the fabric. That was the best part and Larry’s manner made it quite funny.

Larry performed several money changing routines; one where the bills corners appear out of place—the ends end up in the middle and the middles end up at the ends.

He explained the Linking Pins and Money Changing routines with some performance tips.

Later, Larry spoke of magic’s great quality of introducing people. On my first visit to the weekly Magicians Luncheon on Fridays, I did not know anyone and was a little nervous, Larry introduced himself to me, then suddenly stabbed a post card with a pen; he gave me the postcard/business card as a souvenir. That was really cool; its just that there was no hole in the card where just moments prior he forcefully stuck the pen through the card. I saw the “hole” thing. That pen penetrated the card! Oh, well, the lunch was fine, I do not remember what I ate—but that trick and its powerful impact, I still remember that. Larry impromptu magic has often resulted in him enjoyed many cups of coffee on the house. His presentations make an impact and stay with you; and they also leave a very positive energy with the spectator.

Everyone enjoyed this fun and educational lecture.
