NOMINATIONS FOR NEW OFFICERS NEEDED. It is important that we get some new board members for next year. Please consider doing your part and take part in the running of this club. It's only for 1 year or 12 meetings which ever comes first. All positions are open. You can even place your own name in nomination. We will hold the election at the November meeting and swear in the officers in January 2016. Officer nominations are being accepted for President, Vice-President, Secretary, Treasurer, and Sergeant-At-Arms. Additional positions as directors of the Ring include, Webmaster, Junior Program director, and three directors at large. In order for the magic club to thrive we must have participation from members serving as leaders, as either directors or officers. We could use some new blood in this organization. By new blood, I mean younger. You will have the backing and support of all the old timers in the club. Please consider taking part in the running of this club.

SEPTEMBER MEETING REVIEW. If you missed this lecture, you missed a very good and unique lecture. **Autumn Morning Star** taught us how to create our own unique character that we can be passionate about while performing our magic. It was a simple formula that can work for everyone. Using our own personal imagination to create interesting and entertaining stories that flow from one trick to another. There was enough valuable information in the lecture to take your routine from amateur to professional.
