NEXT MEETING: October 19th — Bizarre/Halloween Magic

It's that time of year again! Every magician's favorite - HALLOWEEN!!

If you have not already done so, please email Phil Ureno if you want to participate. I suggest bringing something with you anyway, just in case the bill is not full.

LAST MEETING: David Malek Lecture

Thank to David Malek! If you missed this lecture, you really missed something great. David did not hold back! He answered every question and even taught some of his NEW material, which is something a lot of lecturers don't do.

The key points he hit:

1. The **pinky count** is one of the most useful moved in card magic.
2. **Scripting** is vital to creating a smooth flow.
3. Always have an out and **think outside the box**.
4. Never stop **reading!!**
