March Meeting.

Phil opened the OCMC March meeting with a very moving tribute to member Scott Boeger who had passed recently.

Many members shared some wonderful memories of their friendship with Scott and how he affected their lives.

We had many visitors that came to pay their respects to Scott, including members and leaders from IBM Ring 313 in Irvine.

The ceremony concluded with the traditional breaking of the wand.

March Lecture

Our own Harrison Kaplan gave a wonderful lecture featuring the card magic of Harry Lorayne. Harrison taught us 3 wonderful effects from Mr. Lorayne's classic book, 'Close-up Card Magic'; very possibly one of the best books on card magic ever written.

Harrison performed 'Revolving Aces', 'The Inseparable Four', and 'Ose's Addition.

My personal favorite, 'Revolving Aces, was among the effects presented. Harrison's gave some wonderful ideas on the 'clean-up' necessary the end of the routine in order to move seamlessly into another effect. Harrison quoted Mr. Lorayne to have said, "If you can't do it secretly, do it right in front of their faces!". I'm paraphrasing here, but, you get the idea.

Close-up Card Magic by Harry Lorayne. A book where every single trick is fantastic. A friend of Harry's read the manuscript and said, he thought there was only one bad trick in the book, but he wouldn't tell Harry. So, that will remain a mystery; but, it speaks to the incredible top-notch content of such an enduring, educational and fun book.

Harrison channels Harry Lorayne's magic for Mel & Ed.

Harrison executing an overhand shuffle; Mr. Lorayne's preference to the Riffle Shuffle.

Harrison, keeping it real.

April's Meeting

Harrison will finish up his lecture; afterwards, there will be a chance for you to practice magical effects that you would like to perform at an upcoming show in front of the club for critique.

Bring a close-up pad to this meeting if you would like to follow Harrison's card effects.
