July Lecture

In July, Magician Michael Mezmer presented his 'You are the Magic' lecture for the club. Michael has performed all over the world for over half a century. Michael demonstrated several magical effects and also showed us three videos of a stage illusion performs by three different magicians. Michael wanted to emphasis how the magician himself is the magic and how different a magical effect can appear in the hands of three very experienced magicians.

Michael Mezmer demonstrates how spirits travel from Earth to Heaven.
