December Holiday Celebration

OCMC will have our annual holiday celebration Potluck. Wednesday 11-December. If you have not yet, please email Adriana Bevacqua and let her know what type of dish you will bring to the potluck.

November Show.

OCMC's Winter show in November was a wonderful success. Five very unique and diverse acts entertained guests for about two hours peppered by some wonderful interludes from our tour guide for the evening, Ken Sands. In one marvelous feat, Ken was able to take pieces of art drawn by spectators and then mixed and reunite the artwork with the artist.

1st up, Rachel Slocombe performance was very theatrical in nature with a delightful musical background.

Next up was the wonderful comedy of Western Palacios to include ropes, wands, cards and silks.

Harrison Kaplan brought up volunteers from the audience to offer a peak into his clairvoyant talents. With various personality traits written on cards and then mixed, volunteers each selected a card. Harrison was able to divine the card chosen, as all chosen cards mysteriously seemed to have character traits present in the volunteers own unique personality.

Ken gracefully guided the audience into a brief intermission before introducing our 5th act of the evening Alan Hanson. Alan Hanson has been known to be a snazzy dresser!

Before our final act, Ken introduces the mystical and clairvoyant Adriana Bevacqua.

Julian Devero finishes off the evening with another fantastic performance.
