## **July Meeting**

At our July meeting, Western Palacios will start us off with a mini-lecture on magic; we've seen his very entertaining performances and now Western will share some of his thoughts with the club.

Next up, Harrison Kaplan will continue his magic book of the month series with another excellent selection from his library. He will demonstrate an effect from the book that can be easily learned with a little practice.

Time permitting, the rest of the evening will be dedicated for Show & Tell, Members who would

like to try out an effect in front of the group may have a chance to do so.

### June's Meeting & Close-up Show.

In addition to our regular meeting, we had our annual close-up magic show, which was a resounding success. Ken Sands returned as Master of Ceremonies to guide the audience through an evening of fun and astonishment.

Six OCMC members had a chance to showcase effects they've been working on for some time. Many had a chance to rehearse in front of the club at the regular meeting earlier in the month.

Performers Harrison Kaplan, Alan Hanson, Jason Allen Burke, Ray Pierce, Ed Smith, and Western Palacious all delivered a fun, entertaining, and magical evening.

Harrison Kaplan is our first performer and get's everyone's attention with an entertaining card effect.

Alan Hanson serves up some wonderful card magic along with his high energy Cups & Balls routine.

OCMC President Jason Burke's gives the audience some very visual magic to enjoy.

Ray Pierce delights everyone with a stellar performance of the classic Chinese Linking Rings.

Ed Smith kept everyone in room interested in his wonderful card routine which took us all back to the old west for a while.

Western Palacios closes out the show with another outstanding performance with Ropes and Cards.
