

**An Interview with the OCMC
Vice President/Webmaster:
Phillip Ureno**

When did you become interested in Magic?

I became interested in Magic when I was 9 years old. That's when I bought my first Magic Trick at the Disneyland Magic Shop

What is your Stage Name if you have one?

I have two. For Stage Magic, my character is "Professor He-is-Mental." Pronounced He-eyez-me-tall. The "N" is silent. My closeup character is known as "The Traveler." That character is Time Traveler as well as a Traveler of Planets and Galaxies.

What is your favorite type of Magic?

My favorite type of Magic is Stage Magic followed closely by Close-up Magic.

What is your "Bread and Butter" or "Go to" effect?

I have one for Stage and one for Close-up.
For Stage it's the "Yellow Bandana" and for Close-up it's "Color Monte."
