February's Meeting

Andrew Wheeler and David Twiss both gave wonderful lectures to the club.

David spoke about his travels and performances overseas and provided many helpful tips for anyone thinking about traveling and performing.

Andrew's lecture focused on character building. Everyone received a worksheet on character building to help us hone a character style best for our performances.

March's Meeting

March Meeting – Character Building Workshop with Andrew Wheeler

At our February meeting, Andrew introduced the Character Building Worksheet, guiding us through key questions designed to evaluate and strengthen our performing personas.

In March, members will have the opportunity to present their character live. The audience will complete an *Audience Perception Character Worksheet* for each performer, providing structured, silent feedback to offer insight into how your character is actually being received.

This is a powerful opportunity to refine your presentation, sharpen your identity on stage, and gain meaningful perspective from fellow magicians.

Broken Wand

Sadly, member Bill Pearce has passed away. He was 91 years old. Many of us remember Bill hosting OCMC's monthly raffles. I still remember a rope effect he performed in one of our stage competitions years ago that nothing short of amazing. He will be sorely missed.

Monthly Raffle

David Gonzalez has assumed the role of Raffle Coordinator.

Introducing the Magic Shop Table

OCMC is excited to introduce a new Magic Shop Table at our monthly member meetings!

This dedicated table gives members the opportunity to sell their gently used magic props, books, and related items to fellow magicians.

Participation is open to members, and while not required, a small donation to the club from your sales is always appreciated.

Bring your treasures, find something new, and support your fellow magicians!

Look for the table adjacent to the Raffle table in the back of the room.

To access the calendar you will need... A Google account is recommended, along with a calendar app such as Google Calendar, Apple Calendar, or Outlook. Once subscribed, events will automatically sync across all your devices.
